Jeunes - Acne/ Problematic

Jeunes is the treatment dedicated to the youngest skin. A complete line of face products for mixed or oily skin, or skin that is prone to acne. All products in the line contain ac.net, a latest-generation multi-purpose complex that reduces and regulates the activity of the sebaceous glands, gently exfoliating, purifying, and moisturising the skin.

Sun Cellular Defence

Sun Cellular Defence is a complete line of sun products that combine protection with the effectiveness of a beauty treatment. A revolutionary technology that prevents cutaneous aging and ensures a natural, even tan. SCD is a true beauty treatment with anti-age, smoothing, firming, and moisturizing action, created with purified and concentrated vegetable-derived ingredients. The most powerful of these is the Complete DNA Protection.
